

You can help St Pats

Written by John Carson

Classmates,

I recently had the pleasure to make out a check to St Patricks as a memorial for Harold Ruemmele. It made me feel good, to celebrate Harold's life and help out St Pats on their road to recovery. If you haven't been to St Patricks lately, it is a poor parish, struggling to save a 110 year old church. Due to the extraordinary efforts of many talented volunteers, they have repaired the major damage. (See pictures from the link below)

I asked John Krumholz what we out-of-towners could do to help. John was quick to reply, "We need pews."

If you like the graphic above, St Pats can ship you a T shirt with this image for a donation of \$25 (or more if you can). All but \$10 of your donation (the value of the T shirt) is tax deductible. Simply send a check to:

St Patricks Church Renovation

% Cindy Koczo

120 5th St NW

Cedar Rapids IA 52405

Please include a note with your shirt size, return address and a memo "For church pews".

Review the pictures below and envision new church pews in our wonderful church. The efforts of our parents and grandparents gave us a beautiful church. Now is our chance to pass that same treasure on. John Carson
