What's happening in our family?

Living outside Atlanta in Lawrenceville GA

in a sweet little house that looks out over woods and a river

that boats used to come up

can't see the river for the trees lol

happily remarried in 2007

parents of 2 crazy puupies we recived free in Jan called morkies

cross between yorkie and maltese and 1 very unhappy cat

the puppies came with 2 crates one carrier 3 bags full of papers toys food clothes and stockings

no joke previously owned by surgeon and wife who just could not handle them any more

Fond memories of high school:

basketball games and sock hops

overnights with Mary and sock hops

Prom jr year

Career status:

pedatric home health nurse; got my LPN in 1996
served 1999 to 2003 on the VA nursing board great experince!!!
Have 2 jobs take special kids to school with our county
and home health
did not have a student last year and met a great family and kid who has just
had an esophsagus created for him surgically
a true miracle kid 17 months old
have a little girl that I have worked with for 5 years
We have great summers together
taught her to tlak and she never stops....

How I spend my time:

working, respect life commitee,
dinner club and game nights
going to as many John Denver memorial concerts as I can
spending time with the husband

Comments for classmates:

Looking forward to seeing all of your and introducing John (husband) to IA

Lessons learned since 1969:

things don't always work out as planned
best to take life one day and a time and ENJOY each moment

When you see me please don't ask:

I'll answer anything....within reason
