What's happening in our family?

Fond memories of high school:

Last day of class when I had the bright idea to make my uniform a graffiti board, had many helpers as the day progressed. Escaped to my class at Jefferson, before it was detected. Came close but somehow my quick mind got me out of that mess!

How I spend my time: WORK HARD - PLAY HARD!!!!

Enjoying times with friends, just got back from Punta Cana and getting our houseboat ready for the summer. Firm believer life is short and everyday is a gift, so make the best of everyday. Been blessed with great husband, kids, and friends who have my philosophy on life.
