What's happening in our family?

Lots of sports (baseball, soccer, track, volleyball) for the kids(and me too), work for Kris, and retirement(3 years ago) for Tim. We do a fair bit of traveling (sports seasons permitting) and are traveling to Guatemala, Belize and Nicaragua in December and January.

Fond memories of high school:

All the sports.

Career status:

I practiced law for 30 years and retired 3 years ago

How I spend my time:

I study Spanish (Es dificil cuando tengo cincuenta y ocho anos!), play piano(badly), and coach baseball and track. Oh, and watch the stock market plummet.

Comments for classmates:

Try to be a kid again as often as possible

Lessons learned since 1969:

I didn't know everything back then though I thought I did.

When you see me please don't ask:

If I sent my father in my stead to the reunion.
