The link above has some recent family photos

Name, address and e-mail:

John Carson
2301 Beaver Oaks Court Raleigh NC 27606
carsonjohnh@gmail.com

Family names & ages:

wife Hila (class of '70)
daughters: Emily (29), Molly (26), Megan (22)

What's happening in our family?

My daughter Emily has disabilities and has an aide (Janet) that works with her 40 hour per week. She volunteers at Meals on Wheels, at a nursing home and in a special education classroom each week. Molly has a law degree and has just accepted a position with Social Security and is moving to Charlotte. Megan is a senior at NC State in accounting and finance. She studied in Prague during May/June 2009 and will pursue her Masters in Accounting next year.

Fond memories of high school:

Playing golf and basketball. Writing sports articles for the newspaper. Attending TEC's. Attending Prom and Homecoming. Learning and sharing from a great group of classmates.

Career status:

Retired from John Deere. Starting a new profession as a financial planner.

How I spend my time:

I am adjusting right now to a new life and priorities. Weekends are spent gardening, occasionally golfing and helping my adult daughters. I enjoy spending more time with my daughter Emily. We enjoy working puzzles and playing Wii (bowling).

I am enjoying my second career as a financial planner. It is something I always wanted to do. Hila manages our household and is the primary caregiver for Emily.

Comments for classmates:

40 years can change many things. Raising a family and moving 7 times to 6 states seemed like a whirlwind. Saying goodbye to my parents in 2002 and 2006 was a sad milestone.

Despite all these changes, I have not changed my basic values or personality from 1969. I have always valued your friendship and look forward to seeing you at the reunion. If you cannot attend, I look forward to reading your profile.

Lessons learned since 1969:

Patience. This is a skill I have improved and still trying to perfect.

When you see me please don't ask:

Ask me anything.

Below is a picture of my family. If you wish to post a picture in your profile, drop me an e-mail (click email address above) and I'll give you instructions on how to do so.
